The Miller Brewing Company is a sponsor of the Fourth Annual National Puerto Rican Coalition Conference. "Building a National Puerto Rican Community: Growth, Development and Empowerment."

Dear Friend:

You are invited to participate in our Fourth Annual Conference: "Building a National Puerto Rican Community: Growth, Development and Empowerment," Thursday, October 18-20, 1984 at the Hyatt Regency Hotel on Capitol Hill in Washington, DC.

This year's conference provides an excellent opportunity to assess our past and future socioeconomic development. The concept of 'building a national community' represents a future-oriented step in promoting the general welfare of the Puerto Rican community during the balance of the '80s. Of particular importance is the development of new strategies for action which address the needs of our communities across the nation.

You shouldn't miss this important conference, strategically scheduled in our nation's capital just prior to the presidential elections. Key features of the conference are:

- three major status reports of the Puerto Rican Family, Puerto Rican Youth and the Puerto Rican Worker, presented by three scholars who will hold discussions with conference participants on the implications of their reports.
- Ronald Reagan and Walter Mondale have been invited to speak at the conference luncheons to address the results of the three status reports.
- six workshops on issues of importance to the growth of the Puerto Rican community in which conference participants can share their ideas for strategies for action.

Please note the enclosed program schedule for further details. There is a \$15.00 saving for people who register in advance of the conference.

I look forward to seeing you at the Fourth Annual National Puerto Rican Coalition Conference.

Sincerely,

A stylized, handwritten signature in dark ink, appearing to read "Louis Nufiez". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
